Aspiring and motivated Frontend Developer with 1.9+ years of experience in creating responsive and visually appealing web applications. Dedicated to enhancing user experiences through innovative design and cutting-edge technologies. Developed websites using Reactjs, Nextjs frameworks.

Work History

2022-2024

Software Developer

At Quest Sustainable Solutions, Bangalore

- Coded using HTML, CSS and JavaScript to develop features for both mobile and desktop platforms.
- Transformed native applications into mobile-friendly products.
- Planned website development, converting mockups into usable web presence with REACT.js, NEXT.js, API and Node.js coding.
- Ran debugging tools to eliminate flaws and glitches prior to publishing.
- Built and styled new mobile-friendly websites, transitioning legacy presentations to simultaneous easy-to-use versions.
